

POST SALE INSPECTION OPT-OUT FORM

I request to opt out of automatic post-sale inspections for Online Simulcast purchases. I have read the auction rules and understand that in-lane arbitration rules apply, i.e., Green Light policy ends 1 hour from time of sale, and frame guarantee ends at 12:00 noon the following Friday. I understand that I am responsible for all transportation expense, including returning the vehicle to the auction should the need arise.

Signature of this opt-out form confirms my understanding that arbitration of mechanical items of this vehicle are not available under the online 7 or 14-day arbitration rules.
